Campbell®

Chain and Fittings

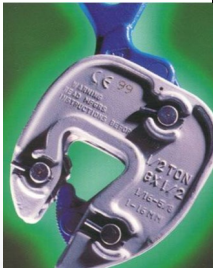

Full Line Rigging Solutions

Quality

ISO 9001 Certified:

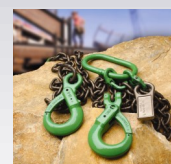

Campbell operations in York, PA and Cortland, NY conform to Quality Standard ISO 9001 (International Standards Organization). Campbell co-chaired, for the United States representation, the ISO Technical Committee 111 (TC 111) on chain and chain components at its inception.

Products

Breadth of Line:

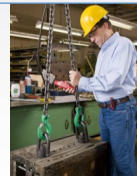

Campbell is the largest complete source for your rigging needs. Campbell offers welded chain, weldless chain, tow chain, marine chain, magnet chains, decorative chain, plastic chain, wire rope and cable, snaps, pulleys, clamps, blocks, hooks, eyebolts, turnbuckles, shackles, wire rope accessories, slings. Whatever your needs, Campbell has the solution.

Service

The Right Product When You Need It:

Four strategically placed distribution centers in the United States and Canada provide assurance that your delivery needs will be met. Campbell also has dedicated, fully trained customer satisfaction representatives available with extended hours to answer any questions that you may have.

Expertise

Industry Respect:

We have been manufacturing world class products since 1919. We sit on the board of the National Association of Chain Manufacturers (NACM) and have served as members of the American Society of Mechanical Engineers (ASME) subcommittee B30.26 rigging hardware since its establishment. We are also proud to be members of AWRF (Associated Wire Rope Fabricators), ACRP (Association of Crane and Rigging Professionals) and ASTM (American Society for Testing and Materials).

Support

Worldwide Presence:

It doesn't matter where your application is, we can help. There are more than forty qualified field support people through the United States and Canada alone. Sales in international markets is our fastest growing segment. Wherever you may be, Campbell has the solution.

R & D

Innovation:

Pioneering the use of Grade 100 chain and fittings over 20 years ago, Campbell has grown to become a leader in rigging solutions. Our shackle offering is one of the largest in the industry. If you don't see it listed in our catalog we can make it for you. Whatever your product need, Campbell has the solution.

USA

Complete Line of Domestic Chain and Fittings:

Our chain and our fittings are made with American steel in the USA. Our carbon and alloy chain offerings are domestic and manufactured by Campbell, not out sourced or imported like some of our competition. We are also proud of our domestic line of Blocks, Turnbuckles, Wire Rope Clips, Clamps and Hooks. For your domestic needs, Campbell has the solution.
