ICE CCS-FASTLOX

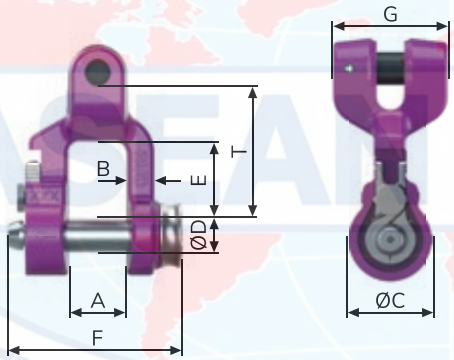

ICE-Clevis shackles with quick lock.

RUD RFID CONNECT IT

ICE CCS-FASTLOX
4 mm

ICE CCS-FASTLOX
6–16 mm

PRODUCT FEATURES

- **Real time savings:** 80 % less time to assemble and dismantle.[1]
- **Simplest tool-free handling:** without nuts, bolts and splint.
- **Outstanding safety:** automatic securing of the shackle bolt.
- Prevents incorrect bolt assembly.
- Excellent robustness in comparison to conventional shackles.

[1] In comparison to standard clevis shackles.

ICE-CLEVIS SHACKLES WITH QUICK LOCK – 4–16 mm.
