

LEVER BLOCKS
手扳葫芦

MINI-250
MINI-500

Features:

The lever block has load control with a mechanical brake, hardened steel hooks with latches.The chain hoist is ideal for warehouse, auto shops, construction site and more operating situations.Built-in gearing can make the chain hoist easy to use. One-hand operation allows easy control of load. Super light structure with tough steel construction and compact design can be operated even in high or narrow places.
